LISTA\_PRODOTTI\_COMPATIBILI\_BIO-NOP\_ATT\_1220120\_Italy\_EN

 The marked products are ORGANIC CERTIFIED

To the best of our knowledge we declare that , at the current state, according to what is indicated for each one , the products listed in this document are to be considered compatible with organic vinifications and/or “made with...” as produced with raw materials (gelatins, tannins, fish glue, vegetable proteins, arabic gums) and yeast strains , having no corresponding commercial certified ORGANIC equivalent.
